MSFM LAB/BLOOD WORK/IMAGING RESULTS POLICY

MSFM USES THE FOLLOWING LABS/IMAGING CENTERS:

*QUEST LAB

*LAB CORP/LAB 1

*BREAST CANCER DETECTION CENTER

*FAIRBANKS ULTRASOUND

*NORTH STAR RADIOLOGY

*FAIRBANKS MEMORIAL HOSPITAL LAB AND IMAGING CENTER

YOU MAY OBTAIN RESULTS FROM ANY OF THESE FACILITIES, WITHIN 3-5 DAYS. MSFM REQUIRES TWO WEEKS FOR IMAGING/BLOODWORK PROCESSING.

ONCE YOUR RESULTS ARE RECEIVED AT MSFM YOUR PHYSICIAN OR PA MUST REVIEW YOUR RESULTS, CONSIDERING YOUR PARTICULAR HEALTH ISSUES, AND MAKE DECISIONS REGARDING FURTHER INTERVENTION, TREATMENTS, OR STUDIES NEEDED. THIS MAY TAKE UP TO TWO WEEKS, SOMETIMES LONGER WITH SPECIALTY LAB OR STUDIES. PLEASE UNDERSTAND THAT IN ORDER TO PROVIDE EXCELLENT MEDICAL CARE FOR YOU, WE MUST HAVE TIME TO REVIEW AND CONSIDER YOUR RESULTS.

AN APPOINTMENT MAY BE SCHEDULED INITIALLY, OR REQUESTED BY TELEPHONE, AS QUICKLY AS IS POSSIBLE, SO THAT WE MAY PERSONALLY REVIEW THE RESULTS WITH YOU AND ADDRESS ANY QUESTIONS YOU MIGHT HAVE.

IF YOU HAVE NOT HEARD FROM US **WITHIN TWO WEEKS** OF YOUR BLOODWORK OR IMAGING STUDY, PLEASE GIVE US A CALL!
